Montana Ohio

On. 17 Apr 1841

Dear Sir

When I arrived here I found that the  
Lafayette Bank had drawn on favor of Miller of  
West Union Bank for 4000 Dls. and as he heard  
I was coming down and has been anxious to see me,  
I presume he has it yet. I have seen him once, but  
that subject has not introduced. He has made an ar-  
rangement with the M & S. about his notes.

You will see in the Cincinnati Gaz. a remarkably  
ingenious, progy. This leads very strongly to the rule  
never to take any thing from persons who are not  
well known and responsible - no matter how  
desirable the thing may be.

Every thing is very dull here. Mr May is  
to be here on Tuesday. Mr John thinks he can pay  
me up his half if we will take West Union paper.

Yrs truly J. H. D.
